

KEEP Fidelity in the UK

June, 2018

Summary:

UK Local Coaches rated 55 videos and the ODI Coaches rated 24 videos between June, 2017 and May, 2018. The information presented here reflects the average scores across authorities.

The average score for both the Local Coaches and the ODI Coaches is a strong **Green**.

UK Local Coaches

The highest three FAR items were:

- Facilitators delivered the content of the session
- Facilitators effectively used individual situations as teaching opportunities for the rest of the group
- Facilitators used specific praise and/or reinforced efforts to use KEEP skills

The lowest three FAR items were:

- Facilitators effectively use role play to demonstrate or practice skills
- Facilitators suggested strategies in behavioral terms
- Facilitators reviewed a home practice from any prior session

ODI Coaches

The highest three FAR items were:

- Facilitators delivered the content of the session
- Facilitators effectively used individual situations as teaching opportunities for the rest of the group
- Facilitators used specific praise and/or reinforced efforts to use KEEP skills

The lowest three FAR items were:

- Facilitators effectively use role play to demonstrate or practice skills
- Facilitators made critical comments and/or had a critical or teachy tone
- Facilitators managed the meeting time well

These data show us that the UK and ODI raters are consistent and have identified the same patterns of strength and need.
